

Accessibility Statement for BCHC Website

This statement relates to all webpages with web address beginning <http://bchc.aber.ac.uk/>.

This website is run by Aberystwyth University. We want as many people as possible to be able to use this website. For example, that means you should be able to:

- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader

We've also made the website text as simple as possible to understand.

[AbilityNet](#) has advice on making your device easier to use if you have a disability.

For more details, see Aberystwyth University's [technical accessibility statement](#).

How accessible this website is

We know some parts of our BCHC website aren't fully accessible:

- Font colour change capability and font contrast is not sufficient in some areas.
- The keyboard navigation for our 'Funding' section needs to be improved.

Although accessible, we are also looking to remove some unnecessary repetition which occurs in the title pages when using a screen reader.
